(f) In order to check the growth of unregistered nursing homes in Delhi, the Delhi Administration has initiated steps to amend the Delhi Nursing Homes Act, 1953 and rules framed thereunder. The Nursing Homes are also being periodically inspected to see that the basic health care standard are maintained.

Vasectomy Cases

14. DR. NARREDDY THULASI REDDY : Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state :

(a) whether it is a fact that vasectomy cases are declining gradually;

(b) if so, what are the reasons therefor; and

(c) what steps are being taken to arrest this trend ?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI D. K. THARA DEVI SIDDHARTHA) : (a) to (c) Among the total sterilisation acceptors, the proportion of female sterilisation has been steadily going up and that of male sterilisation is coming down since 1986-87.

To allay the various apprehensions and misconceptions pertaining to vasectomy, the Information, Education and Communication efforts for popularisation of the Family Welfare Programme highlight that vasectomy does not produce any harmful effect nor results in any physical weakness or loss of virility and that it is relatively simpler than tubectomy. In order to popularise vasectomy, the new method of "No-scalpel Vasectomy' has been recently introduced.
